PARALINK

INCREASE YOUR POWER
Incrementa tu potencia

Champion's Parallel Kit increases your power by connecting any two 2000-3000W ParaLINKready inverters so you can mix and match different inverter models. This kit features a quick and easy clamp-on connection with a 30-amp circuit breaker plus a 120V 30A (TT-30R) RV outlet and a 120V 30A locking outlet (L5-30R).
